This Month's Contributors

Marcelo A. Cicogna <marcelo.cicogna@gmail.com>

Contributing Editor **Marcelo A. Cicogna** is a Civil Engineer and a C++Builder enthusiast since Version 1.0. He is owner of HydroByte Software, which develops decision support systems applied to water resources management and hydroelectric power systems in Brazil, including operational research, database management, and object-oriented design. Marcelo's recent experience also focuses on the development of a multi-language anti-plagiarism freeware software called CopySpider.

Iskander Shafikov <shaficovisk@yandex.ru>

Contributing Editor **Iskander Shafikov** is an engineer employed with Rosneft Oil Company's R&D Center located in Ufa, Russia, specializing in database programming, automation of business processes and integrated project management. Iskander's sphere of professional interest ranges from VBA scripting and MS Office plug-in development to C++ and multi-language object-oriented programming. Although acquainted with various programming environments, C++Builder has been his preferred IDE since Version 5.
